- ✓ **Easy Access Pump**
Easy service and less down time.
- ✓ **IP65 Electrics**
Mine spec, moisture and dust proof electrics.
- ✓ **Environmentally Friendly**
Water based using biodegradable chemicals.
- ✓ **Australian Made Quality**
Deal manufacture direct for expert back up, service and spares.
- ✓ **Fast & Powerful Operation**
4 times faster than by hand.
- ✓ **Incredible r.o.i.**
500+% return on investment.
- ✓ **Slash Wages**
Reduce overheads.
- ✓ **Maximise Productivity**
Let Hotwash do the work, get on with the job.

hotwash Australia

‘cleaning up’ industry for over 20 years

FEATURES & BENEFITS

- Australian designed & made – Quality service and back up
- Mine site rated – Safety performance reliability
- Super Heavy Duty construction – High load durability
- Safety Gear Drive turntable – OH&S
- One bolt easy remove turntable – Serviceability
- IP65 Electrics – Moisture & dust resistant.
- Dual skin insulated construction – Economical running
- Ergonomic easy open door – OH&S no more strains
- 24/7 Day digital timer – Automatic preheating saves time
- Heater light – Notifies heating elements are on.
- Low water warning light – Engages auto water top up
- Low water level cut out – Protects elements and pump
- Waste water pump out system – Rapid tank drain out
- Auto water top up – Water level always full
- Water proof basket hub – Total bearing protection
- Large primary filtration trays – Catches large debris
- Large secondary filtration – Pump protection
- Removable turn table axle – Easy maintenance
- Ventilation systems – No drip steam exhaust
- Moisture and dust proof electricals - Dependable
- Double lid seal system – No water or steam leaks
- Easy access pump – Makes maintenance a breeze
- Spray bar ball valves & filters – Keeps jets unblocked

PLUS ADDED FEATURES

- Quality parts used wherever possible
- Large tank drain valve
- Manual 24/7 heater timer override
- Greasable lid hinges
- Fork lift tine tubes
- Door cut out switch
- Steel braided hoses
- Quick drain floor
- Grit blasted
- High Temp etch primed
- Powder coated
