AUSTRALIA PTY LTD

*The
Profit
Centre*

*Still washing parts by hand?
Still renting that parts washer you will never own?
Got an old clunker that is no longer reliable, doesn't make you money, or
even worse, is unsafe for your operators?*

Introducing the all new SS Series
STAINLESS STEEL PARTS WASHERS
from Hotwash Australia

The Hotwash Automatic, **LABOUR FREE**, Parts washing machine features stainless steel construction for durability and **GEAR DRIVE TURN TABLE** for added operator safety and reliability. It will elevate your workshop productivity like no other. It will not only **SAVE YOU TIME & MONEY**, it will become a **PROFIT CENTRE** for your business. Every time you hit the start button, you charge your client your standard hourly rate for 15 minutes of automatic operation.

SS1350/1600/1850 (SD)
SD = Sliding Door

SS720/870/1100 (HP)
HP = High Performance
